

WARNING:
VACCINATIONS
ARE

DANGEROUS!

by Pastor Peter J. Peters

Introduction

At the time of this writing (July 1993), legislation is being introduced in the United States Congress known as the *Comprehensive Child Health Immunization Act of 1993*. The teachings of Ezekiel 3:17-21 require I warn both the wicked man who would promote the poisonous vaccines upon the children and the righteous man who may be deceived by these wolves in sheep's clothing.

Son of man, I have made thee a watchman unto the house of Israel: therefore hear the word at my mouth, and give them warning from me. When I say unto the wicked, Thou shalt surely die; and thou givest him not warning, nor speakest to warn the wicked from his wicked way, to save his life; the same wicked man shall die in his iniquity; but his blood will I require at thine hand. Yet if thou warn the wicked, and he turn not from it his wickedness, nor from his wicked way, he shall die in his iniquity; but thou hast delivered thy soul. Again, When a righteous man doth turn from his righteousness, and commit iniquity, and I lay a stumbling block before him, he shall die: because thou hast not given him warning, he shall die in his sin, and his righteousness which he hath done shall not be remembered; but his blood will I require at thine hand. Nevertheless if thou warn the righteous man, that the righteous sin not, and he doth not sin, he shall surely live, because he is warned; also thou hast delivered thy soul. (Ezekiel 3:17-21)

This writing gives adequate evidence of the dangers of vaccines and directs the reader to other resources on the subject. I have covered more in my two tape messages entitled, *"Warning-Beware of Government Vaccination Programs Pt. 1 and Pt. 2."* I've tried to do my part and I pray my readers and listeners will do theirs and spread the literature and tapes.

WARNING!

VACCINATIONS ARE DANGEROUS.

The very senate Bills (S. 732, S. 733) with stated purpose “*To provide for the immunization of all children in the United States*” admit there is risk involved. Thus, the real purpose of the bill is to submit all children to the risks and dangers of vaccines. Note the following from S. 733: *The National Vaccine Injury Compensation Program should be extended and improved. Vaccine information materials should be simplified to ensure that parents can understand the benefits and **risks of vaccines.***¹ (emphasis added)

The National Vaccine Injury Compensation Program is a type of insurance system established to cover all the law suits brought by victims damaged by vaccinations. The bills S.732 and S.733 say: *The National Vaccine Injury Compensation is an **essential** element in a comprehensive immunization program and should be applied to additional vaccines recommended for Universal use in children.*² (emphasis added) Note the word ESSENTIAL. Why is it essential? **Because children will be harmed and lawsuits will be filed.**

According to such people as Barbara Lee Fisher, executive vice president of the National Vaccine Information Center, 1 figures from the U.S. claims court as of October 31 , 1990, that several thousand claims [for compensation from injuries or death caused by vaccines] have already been filed.³ The FDA reported more than 17,000 unfavorable events from vaccinations (including 350 deaths) during a 20 month period alone.⁴

The very government that wants to vaccinate ALL children, admits and reports (and seems to care less) about the dangers of vaccination. There are also many others who have reported on these dangers.

MANY HAVE WARNED US!

Physician and Toxicologist, George R. Schwartz, M.D. writes, *Certainly the smallpox vaccine is an example of one routine shot which was eventually discontinued when the morbidity or occurrence of the illness from the immunization exceeded the benefits.* 5

Family practitioner, Harold E. Buttram, M.D. writes: *In former times the so-called minor childhood diseases of measles, mumps, and rubella (German measles) may have served a major role in the normal development and strengthening of the immune systems of children. By altering this former pattern with vaccinations, have we set the stage for the serious chronic diseases now occurring with increasing frequency? Once again, has the overall effect been that of stunting the development of the immune systems of children? There are good reasons for believing that this is the case.*6

Leonard Scheele, Surgeon General of the United States, was reported to say before an annual AMA convention in 1955: *No batch of vaccine can be proven safe before it is given to children.*7

James R. Shennan of the National Institute of Health, is reported as saying: *The only safe vaccine is a vaccine that is never used.* 8

Physician, Dr. Henry R. Bybee of Norfolk, Virginia, has been reported as publicly stating: *My honest opinion is that vaccine is the cause of more disease and suffering than anything I could name. I believe that such diseases as cancer, syphilis, cold sores and many other disease conditions are the direct results of vaccination. Yet, in the state of Virginia, and in many other states, parents are compelled to submit their children to this procedure while the medical profession not only receives its pay for this service, but also makes splendid and prospective patients for the future.*⁹

Dr. Herbert Snow, senior surgeon at the Cancer Hospital of London, has been reported as saying: *In recent years many men and women in the prime of life have dropped dead suddenly, often after attending a feast or banquet. I am convinced that some eighty percent of these deaths are caused by inoculation or vaccination they have undergone. They are well known to cause grave and permanent disease to the heart. The coroner always hushes it up as 'natural causes.'*¹⁰

Dr. J.M, Peebles of San Francisco, is reported writing in his book on vaccine: *The vaccination practice, pushed to the front on all occasions by the medical profession through political connivance made compulsory by the state, has not only become the chief menace and the greatest danger to the health of the rising generation, but likewise the crowning outrage upon the personal liberties of the American citizen; compulsory vaccination, poisoning the crimson currents of the human system with brute-extracted lymph under the strange infatuation that it would prevent smallpox, was one of the darkest blots that disfigured the last century.*¹¹

Annie Riley Hale, in The Medical Voodoo speaks of medicine as:

“a system of healing which after 5000 years of trial and

*error is describing itself as science in the making”, whose proudest showing to date is, that it has enabled the race to 'swap' smallpox for cancer and typhoid fever for diabetes and insanity, may still be worthy of credence and patronage by its devoted followers. But what justification can there be for putting the whole power of the government back of such system, and the public treasury at its disposal, to spread misleading propaganda about its own peculiar doctrines and methods, to force them on the helpless.*¹²

Dr. Dennis Turnbull, who had studied cancer for 30 years declared: *I have no hesitation instating that in my judgement the most frequent disposing condition for cancerous development is infused into the blood by vaccination and re-vaccination.*¹³

In the New York Press, January 26, 1909, W. B. Clark stated: *Cancer was practically unknown until cowpox vaccination began to be introduced. I have had to do with 200 cases of cancer and I never saw a case of cancer in an unvaccinated person.*¹⁴

Books can be and have been written concerning the testimonies, statistics, and dangers of vaccines (see and make use of our resource list in the back of this book). What we have given is in accordance with the principles of Scripture regarding truth ... *on the evidence of two or three witnesses a matter shall be confirmed.* (Deuteronomy 19:15)

WARNING: IT'S ALL BY DESIGN!

By now many should wonder why the dark side of the vaccination issue is not presented to the people. The effect

of the failure to do so is self-evident in light of Hosea 4:6, *My people are **DESTROYED** for lack of knowledge ...* (emphasis added). That someone would purposefully want to destroy God's people is simply not addressed in most of the books that have exposed the dangers of vaccination.

Jesus made it clear that there would be those who would come to simply steal, kill and destroy. *The thief cometh not, but for to steal, and to kill, and to destroy...* (John 10:10) Those who promote vaccinations promote the very weapon that kills and destroys, so what does that make them?

If you don't think vaccines steal, kill, and destroy then consider the following examples listed on page 55 of the book, Vaccines: Are they Really Safe and Effective? by Neil Z. Miller.

MBD Case #1 : Harold reacted to his 2nd DPT shot with 104 degree fever and high-pitched screaming (recall the similarity to the cri encephalitic, or the encephalitic scream associated with central nervous system damage). Harold is now blind.

MBD Case #2: Kate was four months old when she received the DPT shot. Within 72 hours she was shrieking in pain. Today she continues to have seizures and cannot speak.

MBD Case #3: Judy had her first grand mal seizure seven days after her 2nd DPT shot. Today she has a very low attention span and tends to reverse letters and write things backwards.

MBD Case #4: Ralph reacted to his first three DPT shots with persistent crying and a 104 degree fever. Today he has visual problems and cannot read or write correctly.

MBD Case #5: Wayne reacted to his fifth DPT shot with screams, a 104 degree fever, by rocking from side to side, and hallucinating. Today he is dyslexic.

MBD Case #6: On the fourth day after 6 year old Cassidy received her measles shot, she turned deathly ill and collapsed following a seizure. Today she is developmentally delayed.

MBD Case #7: Within hours after Daniel received his 2nd DPT shot he began screaming, turned rigid, and went limp. Since then he has suffered from daily seizures. Today he is physically and developmentally disabled.

MBD Case #8: Wesley reacted to his 2nd DPT shot with glazed eyes and seizures. Today he continues to have up to 30 seizures daily, and has been diagnosed as permanently brain damaged.¹⁵

Jesus taught that those in the steal, kill and destroy business disguise themselves. It is called the wolf in sheep's clothing trick. Many reject the concept that someone, particularly their government, would purposely try and destroy their Children, yet the Bible teaches it has been done before. For example, King Herod (who represents the Governing System) appeared to be interested in the child, Jesus, *And he sent them to Bethlehem, and said, "Go and make careful search for the Child; and when you have found Him, report to me, that I too may come and worship Him."* (Matthew 2:8) His real interest, however, was to kill. ... *he became very enraged, and sent and slew all the male children who were in Bethlehem and in all its environs, from two years old and under...* (Matthew 2:16). The Bible tells us there is nothing new under the sun. *The thing that hath been, it is that which shall be; and that which is done is that which shall be done: and there is no new thing under the sun.*(Ecclesiastes 1 :9)

So today the men in Washington propose to vaccinate all children in the United States and interestingly enough the Senate Bills want to make sure all the children are vaccinated before two years of age. The following comes from Senate Bill S. 732: However, approximately 80 percent of vaccine doses should be received before the second birthday. Why before the second birthday? The wolf in sheep's clothing says it is for their own good. The real answer is you get a better kill and destroy rate if vaccinations are administered before age two. The following written by Harold E. Buttram, M.D., proves the point.

In an upcoming book, The Assaults on the American Child, by Harris Coulter, scheduled for publication in the spring of 1990, the author presents extensive evidence that present childhood immunization programs may be a major contributing factor in this human wastage. Developing his case in a comprehensive and systematic manner, the author presents the thesis that these immunizations frequently result in a demyelinating encephalitis which prevents the normal development of the protective myelin sheaths of the brain and nerve cells during infancy and early childhood. These adverse pathologic changes, in turn, may lead to various forms of learning disabilities and behavioral problems now encountered with increasing frequency.¹⁶

MORE SPECIFIC: WHO IN GOVERNMENT WOULD WANT TO KILL AND DESTROY OUR CHILDREN?

1. THOSE WHO LOVE MONEY MORE THAN HUMAN LIFE. The Bible describes a system known as Babylon where the value structure consists of gold at the top and

human life at the bottom. (Revelation 18:12, 13). The Holy Scriptures tell us *For the love of money is the root of all evil: ...* (I Timothy 6:10) Those who make the vaccine and those who prosper from illness (the Medical Monopoly) lobby government, spread their money and suddenly men like Senator Ted Kennedy and Senator Metzenbaum and others, are concerned about your children's welfare.

2. THOSE WITH DEPRAVED MINDS. It takes a depraved, reprobate mind to kill and destroy children for any amount of money and who does the Bible say has such minds? Homosexuals! ...*God gave them over to a **reprobate** mind,*... (Romans 1 :28) The following comes from an article, **Vaccination Mandate Threatens Family:**

There is a growing concern that vaccine policy is being determined by political and economic expediency. The federal government's push to vaccinate all American children with the hepatitis B vaccine is just one example of medical policy being formulated by special interest groups and financially motivated vaccine manufacturers. If the Clinton proposal becomes law, all infants will be required to receive the hepatitis B vaccine 12 hours after birth. This is true even though the hepatitis vaccine is considered very dangerous and highly controversial. Medical World News (January 10,1992) reported that when the hepatitis vaccine became available many doctors were concerned that it might be contaminated with a microorganism responsible for the AIDS epidemic. Vaccine researcher Dr. Robert Mendelsohn documented the fact that two-thirds of doctors eligible for the hepatitis B vaccine have refused to take it.

After an extensive lobbying campaign by the homosexual community to persuade government officials that it is the civic duty of every American to receive this controversial vaccine, the Clinton Administration is moving forward with the requirement that all babies be subjected to the hepatitis B shot, even though hepatitis B is a virus primarily

*contracted by prostitutes, intravenous drug users and homosexuals.*¹⁷ (emphasis added)

3. THOSE WHO ARE PUSHING FOR THE ONE WORLD GOVERNMENT OUTLINED IN THE PROTOCOLS OF THE ELDERS OF ZION. The protocols are a Jewish document captured at the turn of the century, which outlines steps to achieve a one world order. Many groups, including Jewish groups, claim them to be forgeries and counterfeits, but to be a forgery or counterfeit there must then be the real thing in existence. Henry Ford referred to them in the twenties and stated how events, since the turn of the century had fit the Protocols. We are now 90 years removed from the time they were found or made known and all one has to do is read them and compare the history of the last ninety years to determine if they are for real. The Protocols are available from Scriptures for America, P.O. Box. 766 LaPorte, Colorado for a \$5.00 offering. Protocol number 10 states the following:

*But you yourselves perfectly well know that to produce the possibility of the expression of such wishes by all the nations it is indispensable to trouble In all countries the people's reactions with their governments so as to utterly exhaust humanity with dissension, hatred, struggle, envy, and even by the use of torture, by starvation, **BY THE INOCULATION OF DISEASES**, by want so that the Goyim see no other issue than to take refuge in our complete sovereignty in money and in all else. (emphasis added)*

That the purpose of inoculations is specifically to implant disease is stated by Dr. J.W. Hodge, author of the book, The vaccination Superstition (pg. 41).

*After a thorough investigation of the most authentic records and facts in harmony with the physician's daily observations and experiences, the conclusion is drawn that instead of protecting its subjects from contagion of smallpox, vaccination actually renders them more susceptible to it. **Vaccination is the implantation of disease---**that is its admitted purpose. Health is the ideal*

*state to be sought, not disease ... Every pathogenic disturbance in the infected organism wastes and lowers the vital powers, and thus diminishes its natural resisting capacity.*¹⁸

That the goal of a one world order is in line with Judaism is evident in the following published in the Jewish World, London February 9,1993.

The great ideal of Judaism is that the WHOLE WORLD shall be imbued with Jewish teachings, and that in a universal brotherhood of nations---a created Judaism, in fact---ALL THE SEPARATE RACES AND RELIGIONS SHALL DISAPPEAR.

The following comes from the famed Baptist evangelist and Korean war hero, Colonel Jack Mohr's (Brig. Gen. C.P.D.L.) book, The Enemy Within.

Over thirty years ago, Miss Opal Tanner, writing from Washington, D. C. presented this paper on Jewish pressure against our American Congress. In view of the fad that our present government is almost totally under Jewish control, it would be well for us to consider these points.

1. IS CONGRESS ALERT TO THE JEWISH PROBLEM?

These are Miss Tanner's words: "I have interviewed numerous members of Congress as well as their executive secretaries. Almost without exception, they were alert to the Jewish problem. But most of them recognize that the Jewish pressure organizations have become overbearing, bulldozing and obnoxious. They stand in fear of the Jew, and many of them tremble in anticipation of what the Jew can do to them. This has created an ominous frustration. If I were a professional Jew, or a Jewish leader who participated in these high pressure tactics, I would feel very insecure. It is my impression that most Congressmen would vote against the Jew if they considered it safe to do so. History proves that no segment of society has ever been able to remain strong permanently, when they based their strength on intimidation. The knowledge of this has created a panic of sorts among

the intelligent Jews." (This feeling has tripled in the past thirty years and is greater now than at any time in our nation's history, as danger to Jewry increases.)¹⁹

COULD THE BIBLICAL STORY OF ESAU AND JACOB BE BEHIND THE DIABOLICAL PLOT TO VACCINATE ALL CHILDREN IN AMERICA?

Space does not permit us to give a detailed story about Esau and Jacob. The Bible tells us Esau lost the birthright to Jacob and from that time forward Esau sought to kill Jacob. (Genesis 27:41) (To understand this story and the force behind the evil of our day, order *Who is Esau-Edom* by Charles A. Weisman, available for an \$8.00 offering from Scriptures for America, P.O. Box 766 LaPorte, Colorado 80535)

One of the ways of destroying Jacob's people Israel, is by destroying their race. Of course that can be done through interracial marriage, but another way is through vaccinations. It is now being reported that using live virus vaccines can cause Genetic Mutation.²⁰ To have evil people within government desiring to destroy children seems preposterous to most but all one needs to do is read Exodus chapters 1 and 2 to see it has been done before. Read those chapters and you'll discover a Government once forced Israelites to throw their children into the river Nile. Today they are forced to risk their children's lives with forced vaccinations. Consider the following report:

In one circumstance, after a Middletown, Ohio woman whose two children were killed by the OPT vaccine refused to vaccinate her only surviving child, officials from the Ohio Department of Health sent her "warning" letters that she must vaccinate the child.²¹

QUESTIONS THAT MUST BE ASKED AND ANSWERED

The intent of present proposed litigation (Senate Bill 732 and 733) is to vaccinate ALL children not those children whose parents wish to have vaccinated or give permission to have vaccinated but ALL CHILDREN ARE TO VACCINATED. If this legislation is not passed, there will be more proposed later. Questions must be asked and answered!

1. So what if you do not wish to have live virus, formaldehyde, mercury, monkey puss, etc., (all components of today's vaccines) injected into your child? Well, on February 15, 1993 the Wall Street Journal reported that a New York judge ruled that failure to immunize a pre-school child constitutes child abuse. What if a Social worker threatens to bring police to take your child and actually does? What are you to do?
2. Who owns the child? The state, the parent or God? Who is intrusted with the child's welfare? The state or the parent?
3. Is there a Biblical way to stop disease besides vaccinations?
4. Will the proposed government legislation actually bring on disease? What can be done if you are already vaccinated?
5. Could the forced vaccination at the hands of evil, sinister people be brought on because of God's covenant people and who really are those people?
6. What is the alternative to vaccines to protect your family from disease?

(For the answers to these questions order our two cassette tapes, "Warning Beware of Government Vaccination pt. 1 and Pt. 2." (#587, 588) (Available for a \$3.00 offering/tape from Scriptures for America, P.O. Box 766, LaPorte, CO 80535)

AMERICA IS SUFFERING FROM A SPIRITUAL PROBLEM.

America was given to and settled by the Anglo-Saxon, Germanic, Scandinavian and kindred people who are a covenant people (Genesis 17: 1-7). As a covenant people they must obey the Law of their God and see to it that their nation obeys it and when they do, they are blessed (Deuteronomy 28). When they fail to do so they suffer consequences such as ... *and those who hate you shall rule over you...* "(Leviticus 26:17). So it was in Egypt. Those who hated them ruled over them and plotted to destroy their children (Exodus 1,2) and so it is for those same people in America today.

As a result of disobeying His Laws, the covetous, money oriented, accept benefits (bribes) from special interest groups who lobby congress, the queers become a political force and those who follow Talmudic Judaism and hate us, rise above us, (Deuteronomy 28:43) and our children are the victims.

My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being My priests. Since you have forgotten the law of your God, I also will forget your children. (Hosea 4:6)

If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land. (II Chronicles 7:14)

Resource List

Other books we recommend are:

Murder by Injection (the story of the Medical Conspiracy Against America) by Eustace Mullins, available for a \$15.00 offering from Scriptures for America, P.O. Box 766 LaPorte, CO 80535

The Poisoned Needle by Eleanor McBean, available for a \$7.00 offering from America's Promise Ministries, P.O. Box 157 Sandpoint, 1083864

Vaccines-Are They Really Safe and Effective? By Neil Z. Miller available for \$7.75 plus \$2.00 shipping from New Atlantic Press, P.O. Box 9638-T4 Santa Fe, NM 87504

The following Resource List is taken from the book, What About Immunizations. by Cynthia Cournoyer, 7185 Redwood Highway Ave, Grants Pass, OR 97527. The book is available for \$10.95 and this includes postage.

CHILDREN AT RISK: THE DPT DILEMMA

Reprints of a series by Jennifer Hyman

This is an excellent overview of current events (1987) of the DPT vaccines. Other vaccines mentioned, but mostly refers to the pertussis vaccine. Cases of damage, opinions of experts, contradictions and controversy, politics, more. Very good! 16 page tabloid. \$.50 per copy
